Q. 1

The Roman Empire, as it existed in those days, must not be conceived of by the reader as united under one compact and consolidated government. It was, on the _____, a vast jumble of nations, widely _____ in every respect from each other.

Solution Video | Have any Doubt ?

| A | contradictory, alike |

| B | contrary, dissimilar | Correct Option |

Solution :
(b)
The passage states that the Roman Empire was a vast "jumble" of nations and not a compact and consolidated government.
Option A and option C can be ruled out as "alike" and "similar" are antonyms of "jumble".
Option D, though conveys the right meaning, is not appropriate.
Option B is correct as "contrary" and "dissimilar" fit in the blanks perfectly.

| C | opposite, similar |

| D | reverse, heterogenous |

Q. 2

Against the overall economic and political background in the financial year 2017-18, economic management will be challenging in the coming year. If the obvious pitfalls (such as fiscal expansion) are avoided and the looming risks are averted that would be no mean achievement. What does the underlined word mean in this context?

FAQ | Solution Video | Have any Doubt ?

| A | approaching | Correct Option |

Solution :
(a)
Looming generally refers to something unwanted or unpleasant about to happen soon. For example, a looming crises or looming risks.
Option (b), (c) and (d) point to something which is not impending and thus not a cause of worry. Option (a) "approaching" points to something just around the corner.
Thus, option (a) is the right answer.

| B | distant |

| C | eventual |

| D | bygone |

Q. 6

Which of the following best completes the statement?
Bridging the gender gap in education, skill development, employment, earnings and reducing social inequalities prevalent in the society _____.

▶ Solution Video | Have any Doubt ?

A   has been the underlying goals of the development strategy to improve human capabilities.

B   have been underlying goals of development strategy to enhance human capabilities.

C   have been the underlying goals of the development strategy to enhance human capabilities.   Correct Option

Solution :
(c)
Option (a) and (d) can be ruled out because of "has been" instead of "have been". Since all the options mention "underlying goals" therefore "have been" is right. Had there been an "underlying goal", "has been" would have been correct. Option (c) is correct.

D   has been the underlying goals of the development strategy to enhance human capabilities.

A. Yoga is swiftly gaining pace.
1. In the American market.
2. Owing to a huge number of followers.
3. Because it promises assured relief.
4. Who trust the ancient form of exercise.
B. From side effects

▶ Solution Video | Have any Doubt ? 🔖

| A | 1 2 4 3 | Correct Option |

Solution :
(a)
1 mentions the place where Yoga is gaining pace, thus it follows sentence A.
2 follows next which gets linked to 4 as 'who' refers to the followers.
Now, 3 establishes a logical link with 4 and sentence B if put next in the sequence.

| B | 2 4 1 3 |

| C | 3 1 2 4 |

| D | 2 1 3 4 |

Q. 16

A. The PNB scam which was
1. included manufacturing fake letters
2. brought to light by
3. and getting money from foreign bank branches
4. several media houses
B. to defraud the bank for 2 bn $.

A 1 2 4 3

B 2 1 4 3

C 2 4 3 1

D 2 4 1 3   Correct Option

Solution :
(d)
Here, the first phase A ends with an auxiliary verb. Therefore, the next part of the sentence should begin with a verb. 2 clearly fits the context here. Part 4 then mentions who brought the scam to light, and parts 1 and 3 respectively give information as to what their scam actually was about. Hence, correct order is 2 4 1 3.
